## Introduction

The role of the Osteopathy Board of Australia (the Board) include:

- registering osteopaths and students
- developing standards, codes and guidelines for the osteopathy profession
- handling notifications, complaints, investigations and disciplinary hearings
- overseeing the assessment of overseas trained practitioners who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (AHPRA). For information about legislation governing our operations see [About AHPRA](#) at [www.ahpra.gov.au/About-AHPRA/What-We-Do/Legislation.aspx](http://www.ahpra.gov.au/About-AHPRA/What-We-Do/Legislation.aspx).

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on osteopathy registration, please see the Board's website: [www.osteopathyboard.gov.au/Registration.aspx](http://www.osteopathyboard.gov.au/Registration.aspx)
